

## **Reprise of 2003 Bicycling Cape Cod and Nantucket Island Trip October 2 through 8, 2010**

Our 2003 trip was a big success and received rave reviews from all. So we've decided to do it again for all those who either weren't able to go because it was full, want to go again, or just want to go!!

This time we'll be contracting directly with International Bicycle Tours, who handled the previous tour for Elderhostel. Itinerary, hotels, and educational features are basically the same as the 2003 trip. The land-only price for 6 nights is \$1,580 (single supplement add \$470), and includes bus transfer between the Boston airport and hotels, three nights lodging at the Ocean Edge Resort in Brewster, MA, three nights lodging at the Nantucket Inn and Conference Center on Nantucket Island, bicycle rental, breakfast and dinner daily, a farewell clambake/lobster dinner, all ferry and entrance fees and a trip T-shirt. Participants will bike 25-35 miles a day on generally level terrain along the Cape Cod Rail Trail or bicycle trails and lightly traveled roads on Nantucket Island. This is a cyclist-only trip. There are no provisions for non-cyclists.

A \$400 deposit is required by January 15, 2010, to secure your reservation. We need a minimum of 18 participants to guarantee this trip will go. For further information, detailed itinerary, and reservation forms please contact Charlene B.
